CONTENTS

The Patras Half Marathon was held on April 6, 2025 for the third consecutive year. The event was organized by the newspaper "PELOPONNISOS" and the sports club AO PELOPS. The event consists of 4 road races. Specifically:

Half Marathon Race

10 km Race

5 km Race

1 km Kids' Race

The races start and finish at Georgiou A Square in Patras, with the courses mainly running along the city's coastal front. This course offers ideal conditions for record-breaking and fast performances, as it is almost flat. The view of the Patraikos Gulf makes the races idyllic, combining the beauty of the sea, nature, and Patras' architecture. The records are officially recognized, as the courses are certified by AIMS.

The 2025 event was held under the auspices of the Ministry of Education, Religious Affairs and Sports (General Secretariat of Sports), the International Olympic Truce Center and the Greek National Tourism Organization (GNTO).

The races are conducted in accordance with the international regulations of World Athletics.
